## WELCOME TO OUR HOUSE

Eastside Concerned Citizens, Inc. is one of the City of Savannah's fifty-five Neighborhood Associations, but we are more than just a neighborhood association. We are a family dedicated to providing a variety of services that address the issues of poverty and community improvement for city residents.

For almost thirty years we have been working diligently to identify and address the needs of this community and by sharing our assessments, ideas, and outcomes with others, we hope to build and strengthen its character. By being aware of the events and issues within our neighborhood, we can continue to grow.

***There is no better way to help the community than by being an active member, volunteer, or sponsor.***

ECCI is one of many partners working with the City of Savannah's "Step Up" initiative and is proud to be a part of the Eastside Neighborhood Alliance (ENA). We are a 501(c) 3 non-profit organization.
